2 PRELIMINARY EXAMINATIONS

The administrative verification and the technical control take place on 27st of November, from 10.00 a.m. till 17.30 p.m.

a. Administrative verification

The riders are obliged to present the following documents:

- Permanent international licence valid for Enduro 2014
- Drivers licence
- Registration certificate of the motorbike
- Insurance certificate (green card)
- Helmet
- Approval of their FMN

* Riders take part at their own risk and by signing the entry-form they declare that they will not hold the KNMV or organizer responsible with regards to any personal damage or injury.

Without these documents, participation is not possible.

b. Technical control

Before the silencer is marked, a noise test will be carried out. The maximum noise level is 94 dB/A. Each motorcycle must be road Legal for the country in which it is registered and comply with all requirements of the FIM. Intrinsic parts will be marked.

All riders need to bring their machine to the closed parc themselves.

Participants, who take part with an one-event licence, for 1 or 2 days, must present their motorcycles on 27th November for technical control. Their motorcycles have to comply with the Enduro rules. Their starting numbers are forwarded to them at the administrative verification. These numbers should be attached in a reliable manner to their machines. All machines will be inspected in a tent at de Bleek, Enter.

3 START

a. Starting order

The starting order will be determined as follows: *According to scratch mode*. Foreign entries will be inserted on the starting list by the Clerk of the Course.

The riders have to take care of their own starting-number.

b. starting cards

15 minutes before their starting time, the riders can get their motorcycles out of the parc ferme by showing the starting card and the registration document.

Starting time

The start on both days is at: 08.30 hours,

3 Inters and 4 (Euro) National/One even licence riders start in a minute.

On both days the start takes place from 08.30 a.m. Every day the motorcycles must appear at the starting line in

Examination conditions.

4 ROUTE

a. Route

For both days the route for Internationals consists of 4 laps, for the Euro/National of 3 laps, and the one event licenses of 2 laps of approx. 65 km each.

On Friday red arrows indicate the route. On Saturday the blue arrows indicate the route.

b. Tests

On both days there will be 3 closed course tests per lap. All tests will be timed.

On Saturday there could be an extra test admitted. This depends on the weather Forecast. This test would only be driven in the last round (for all Classes).

c. Time checks

On Friday and Saturday the route includes 2 time checks and on Friday a finish control (with service). Between this pre-finish and finish control on Friday there are 15 minutes in which adjustments can be made on the machines. Afterwards riders can clock their finish time and put their machine back in the closed parc.

d. Road crossings

Critical points in the route will be indicated by means of a red flags.

e. Closed parc

Both days the motorcycles must be placed on environment-mats in the closed parc after the finish control. Motorcycles must be locked and have reliable jiffy-stands. Placing motorcycles against the fences is forbidden. On presentation of the registration document the rider scan collected them on Saturday after the expiring of the protest time (1/2 an hour of the last rider of his class). Half an hour after the arrival of the very last rider the motorcycles are in the closed parc on the riders own risk.

All drivers are responsible to lock their motorcycle during day and night in closed parc.

Riders who will not start on Saturday can get their machine out of the closed parc directly after the start of the last rider until half an hour afterwards.

Riders with a one-event license who are only participating for one day don't need to put their machine in the closed park after finishing.

f. Traffic rules

During the whole event, the traffic-rules have to observe strictly.

A rider who transgresses the traffic rules in a heavy way can be excluded.

It is pointed out emphatically the speed limits in villages and built-up areas.

All participants are obliged to obey these limits.

At accidents in which riders are involved or danger of live present, assistance has to be rendered. The rider has to take care of an acceptable confirmation of his lost of time.

g. Shower

There is no facility to take a shower during or after this enduro.

5. PENALTIES AND POINTS

The penalties and points are in accordance with the FIM and KNMV Rules with the following alterations:

Art. 062.56.2, which will be extended with:

Drivers who pass the yellow flag of the time check more than 5 minutes too early will be disqualified.

6. ENVIRONMENT

Participants have to remove their own waste like oil, cooling fluid, etc.

**The use of all these provisions and the individual environment-mat is obligatory.
Trespassers can be punished.**

7. FUEL

The participants have to take care of their own fuel.
